

Trail Coordinators Report

12 July 2018

- Meet with Mr. Scott Harrison "Lutsen Resort" to talk about the possibility of a trail head at the Junction of Ski Hill Road and Trunk Hwy 61 near the Popular River Bridge. " He was interested in the idea, "more to come".
- Open House meeting planned for this evening in Grand Marais City Hall to provide the public information/input on the Cutface Creek segment of the Gitchi-Gami set for 5:30pm-7:00pm.
- Temperance River State Park repair has a heaving problem again, will require more engineering to fix problem, however the segment is still useable.
- West Road bank will see additional rocks along entry/exit area to help stabilize the banks.
- Tofte N/E "George Bougalis and Sons" were awarded contract. Preconstruction meeting set for Tuesday July 17th at 11:00 Blue Fin Bay.
- The Fence Post Mower arrived last week and has been used along the Gitchi-Gami Gooseberry Segment the main portion of the trail was mowed three weeks ago.
